### **Gamma becomes “The Official Fishing Line of USA Bass and the 2022 Bass Fishing World Championship”**

State College, PA – April 19, 2022: USA Bass is excited to announce that Gamma has become the official fishing line of USA Bass and the 2022 Bass Fishing World Championship. Gamma Fishing line provides the angler with more accurate casts, natural presentations and greater fish fighting capability. It's the Pro's Choice in Fishing Lines. From Bassmaster Classic and Forrest Wood Cup Champions to passionate anglers that demand the best, the Gamma Difference makes all the difference.

“We are thrilled by the support of Gamma,” says USA Bass President, Mark Schlarb. “USA Bass will be hosting the World Bass Fishing Championship at Lake Murray in Columbia, SC this October 16 – 22nd. Gamma will be a big part of our USA Bass team’s pursuit of the Gold medal. They make the world’s most advanced fishing line and we are excited about the partnership.”

The USA Bass team will be competing against teams from across the globe including: Italy, South Africa, Zimbabwe, Australia, South Korea, Spain, Portugal, Canada, Mexico, Costa Rica and others. The host community is Capital City Lake Murray Country RTB and anglers will be fishing legendary Lake Murray. The 2022 USA Bass World T Team includes: Team captain Scott Martin, Jacob Wheeler, Scott Canterbury, David Dudley, Fred Roumbanis, James Watson, Mark Rose, David Fritts, Head Coach Charlie Evans and Assistant Coach Anthony Gagliardi.

“Gamma is excited to support the USA Bass and the popularity of bass fishing all over the world.” Says Dale Black owner of Gamma. “We are proud and honored to be part of the USA Bass Team and looking forward to watching them represent the USA at the Bass Fishing World Championship.”
